

Universal Monitor Mount

ENWORK

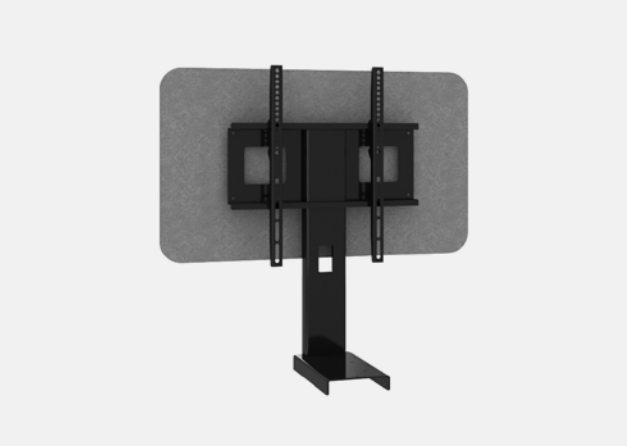

Enwork's Universal Monitor Mount turns any table into a media sharing epicenter. This clever accessory attaches to the underside of most tables, and allows cables to run neatly from the monitor to below the surface. Available acoustic back trim hides and protects the back of the monitor while elevating aesthetic appeal.

DETAILS

- The monitor mount works with most tables.
- Optional acoustic trim attaches to back of the monitor mount to conceal wires and cover the back of technology.
- For televisions up to 55".
- Fits most standard VESA compatible monitors up to 55".
