

Ghost

ENWORK

Designed to disappear, Ghost is our most refined solution for glass tables. Its frameless design keeps power and data connections neatly hidden, letting the beauty of your space speak for itself.

DETAILS

- Frameless design; units sit flush with the tabletop for a seamless aesthetic. Glass door(s) rest against the worksurface when open.
- Compatible with gloss or frosted (etched) back-painted glass tops.
- Painted steel interior with white, light-beige, or black back-painted glass doors. White and light-beige doors include a white interior; black doors include a black interior. The interior collar and hinges are always black. Custom colors are available as a special.
- Available in daisy-chain or hardwired configurations. Daisy-chaining connects multiple units to a single-circuit plug or a hardwired two-circuit infeed.
- UL-listed with hardwire infeed or standard corded units; UL-recognized with daisy-chaining or plug infeed.
- Single-sided assemblies are available in 2 configurations:
  - 2 power outlets, 1 datacom plate cutout, and 2 6-foot power cords.
  - 1 power outlet, 1 USB A+C charging, 1 datacom plate cutout, and 2 6-foot power cords.
- Double-sided assemblies are available in 3 configurations:
  - 6 power outlets, 2 datacom plate cutouts, and 2 9-foot power cords.
  - 6 power outlets, 1 datacom plate cutout, 2 USB-A charging, and 2 9-foot power cords.
  - 12 power outlets, 4 datacom plate cutouts, and 4 9-foot power cords.
- Datacom plates are sold separate and available for HDMI, HD VGA, RJ45, Cat6, RJ11, DVI, Mini Stereo, and USB connections.
